Conventioners at ARA International Awards Market in Las Vegas, NV were invited to select the three winners via general ballot. Based on design originality, creative use of IKONMetal, and overall design, Jason Lothrop of Accurate Impressions was identified as the 2007 IKONAward 1st Place Winner.

"The IKON Awards contest really pushed me to put IKONMetal to the test. Once I did, I was really excited about the versatility of the product.," said Lothrop.

Accurate Impressions provides a wide variety of awards, apparel, and promotional products ranging from economic everyday items to elaborate executive gifts and awards.

Congratulations to all three winners and all the participants in the IKON Awards IKONMetal Design Contest.

Stay tuned for 2008 contest details.
